LIGHTHOUSE™ auto replenishment & medication monitoring service - Your kit comes with the assurance we are monitoring and tracking each medication to ensure you are always prepared with in-date, quality medications, auto shipped directly to you prior to your old medication expiring.

Easy to use - Designed to help all practices deal with potentially life threatening medical emergencies. Every LIGHTHOUSE™ Medical Emergency Kit comes in a protective case with clearly labeled slot inserts designed for centralized access in the event of an emergency.

Regulatory body compliant - Meets today's standard of care - LIGHTHOUSE™ Medical Emergency Kits are compliant with provincial regulatory bodies' guidelines.

Longer shelf life - We source our medications directly from the manufacturer so you benefit from the longest shelf life available, reducing how often you need to replenish.

Office training - Included in your purchase is a full year of unlimited access to important training on how to use your medications in an emergency.

New Annual Subscription! - LIGHTHOUSE™ Annual Subscription delivers all the benefits of our LIGHTHOUSE™ medication monitoring and auto replenishment services AND saves you money with FREE SHIPPING on all your replenishments and easy, once a year billing.
